Robert D. Livernois, Ph.D.  
Superintendent

January 31, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2021-22 educational progress for Holden Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Cheryl Priemer for assistance.

The AER is available for you to review electronically by visiting the following web site, <https://bit.ly/3acTOPp>, or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels

Prior to the COVID-19 Pandemic, Holden Elementary students showed increased learning over the previous three years as measured by three State of Michigan assessments – WIDA for English Language Learners, M-Step and NWEA. Holden Elementary staff continue to focus their professional development on learning and implementing the Instructional Learning Cycle and all its protocols. Holden staff also have invested learning time acquiring SEL skills that support our students returning to the classroom full time.

State law requires that we also report additional information.

### **PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL**

Students are assigned to schools according to their address of residence within the District’s boundaries. Parents may request another school within the District under the Open Enrollment process however, transportation is not provided. The Board of Education has determined that it will allow nonresident students, residing within the Macomb ISD, but whose parent(s) reside in the District, and who qualify to enroll in the District through a Schools of Choice program.

### **THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN**

Holden Elementary is in the process of on-going school improvement. Our plan continues to return to the key aspects of training teachers in the processes and protocols of Professional Learning Community (PLC) and Instructional Learning Cycle (ILC), as well as Tier 2 and Tier 3 research-based interventions such as Add+Vantage Math Recovery (AVMR), Jan Richardson literacy strategies, Language for Learning and Language for Thinking programs.

### **A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL**

**Early Childhood Education** is an important part of the mission and vision of Warren Consolidated Schools. A variety of early learning classrooms are housed in our elementary buildings. These programs include WCS Early Childhood Special Education (ECSE) Program, the World of Fours (grant-supported preschool program for 4-year-olds), fee-based 3-year-old and 4-year-old preschool, transitional kindergarten, and several Macomb-Intermediate School District Head-Start classrooms.

The **Middle School Mathematics Science Technology Center (MS2TC)** offers an advanced mathematics, science technology option for middle school students. Students who are accepted into the program will split their day between their home middle school, where they will take their social studies and two elective classes, and Butcher Educational Center, where they will take their mathematics, science, and English language arts classes.

The **Middle School Visual and Performing Arts (MSVPA)** is an exciting, creative program that has been designed to build on the district's nationally acclaimed, award-winning high school performing arts program (WCSPA) which is in Sterling Heights High School. MSVPA is intended for academically focused and creative students who seek to blend their academic experience with interest in the performing arts. Students who are accepted into the program will split their school day between their home middle school, where they will take their language arts, science, and math classes, and Butcher Educational Center, where they will take their social studies and two performing arts electives. The performing arts electives will include visual arts, music, dance, and theatre exploratory experiences.

**The Macomb Math and Science Center (MMSTC)** is an honors program for 9th – 12th grade students in Macomb County districts who are interested in advanced/accelerated mathematics, science, and computer technology. Students must apply and be selected for the program based upon placement testing and teacher's recommendation. The Center's program is a half day and students attend their home school for the remainder of the day. It is located at Butcher Educational Center.

**The Career Preparation Center (CPC)** programs are open to Clintondale, Fraser, and Warren Consolidated 11th and 12th grade students. CPC programs are designed to provide students with skills to enter the workforce or continue with additional college or workplace training. Career Technical Education (CTE) classes at the CPC provide technical skills and knowledge. Students enrolled in these programs are often able to earn technical certifications as well as college credit.

**Community High School** is an alternative education program for high school students. The primary objective of the school is to assist enrolled students in meeting their high school graduation requirements in a timely manner. It is now located at the Hatherly Educational Center.

#### **IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL**

Warren Consolidated Schools follows all State of Michigan curriculum guidelines. The Board of Education has adopted a core curriculum based on Michigan Curriculum Framework, Michigan State Standards, and Michigan Merit Curriculum approved by the State Board of Education. A copy of the core curriculum may be accessed by contacting the school office

## THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

Warren Consolidated Schools administers the Northwest Evaluation Association Measure of Academic Progress (MAP Growth) during the fall and spring of every school year. Reading performance was measured by the Diagnostic Reading Assessment (DRA3) during the 2020-21 school year. The Reading and Mathematics results for the 2020-21 and 2021-22 school years are listed below.

Holden Elementary is looking forward to returning to partnerships with community organizations and businesses such as Target, Kohl’s, the Sterling Heights Police Department for Smart Moves and RSVP of Macomb. We believe that working together with parents and the community, our students will demonstrate increased achievement in all areas.

Sincerely,

Cheryl Priemer, Ed.S.  
Principal of Holden Elementary School
