Brian White, Trustee

Robert D. Livernois, Ph.D.  
Superintendent

March 21, 2024

Dear Warren Consolidated Schools,

The WCS Board of Education met last night to establish a process for selecting our next Superintendent of Schools.

The Board will work with our District legal counsel Collins & Blaha for the necessary guidance to find our next superintendent. That guidance includes important legal and Board Policy considerations for the Board to follow.

An important first step in the process is to post the superintendent position across a range of educated related organizations, including the Michigan Association of Schools Boards (MASB) and the Michigan Association of School Administrators (MASA), two important groups who can assist us in advertising the posting.

The search for our next superintendent will be regularly updated at [wcskids.net](http://wcskids.net). To provide the community with an opportunity to submit any feedback, ideas, or questions about the process, an email can be sent to [supersearch@wcskids.net](mailto:supersearch@wcskids.net).

In the coming weeks, we will continue to update you as we begin the important work of finding our next superintendent.

Sincerely,

Susan G. Trombley  
WCS Board of Education President

## Position Announcement

# Warren Consolidated Schools Superintendent of Schools

**The Warren Consolidated Schools Board of Education is conducting a comprehensive search for its next Superintendent. The new Superintendent is expected to start July 1, 2024.**

Warren Consolidated Schools is a public school district located within the Metropolitan Detroit area of southeast Michigan. The district serves a diverse population of students from the cities of Sterling Heights, Warren, and a portion of Troy. Warren Consolidated Schools is committed to academic excellence through student achievement, high expectations, and strong relationships.

Warren Consolidated Schools is home to three high schools, four middle schools and 12 elementary schools that serve nearly 13,000 students. The district is home to an alternative education center, a Mathematics Science Technology center, and a Career and Technical Education center. Warren Consolidated employs more than 1,800 staff members, including 876 teachers, 60 administrative staff members, and nearly 900 support staff members. Warren Consolidated Schools has an annual operating budget of \$211,239,000, with a foundation allowance of \$10,455 per pupil, and a fund balance projected to be over \$18,000,000 as of June 30, 2024.

Students in Warren Consolidated Schools are afforded a world of opportunities that include preschool, World of Fours, and Early Childhood Special Education, transitional kindergarten, state-of-the-art instructional technology in all classrooms, championship athletics, award-winning band programs, innovative Science, Technology, Engineering, and Mathematics (STEM) programs, high school advanced placement programs, dual enrollment programs, and the Early College of Macomb program.

Warren Consolidated Schools offers several specialty programs for students, which include:

- Nationally recognized Performing Arts High School
- High School Macomb Mathematics Science Technology Center
- Career Preparation Center with 15 state approved Career and Technical Education programs
- Middle School Mathematics Science Technology Center
- Middle School Visual and Performing Arts

The mission of Warren Consolidated Schools, in partnership with families and community, is to achieve a level of excellence in teaching and learning which enables all students to become knowledgeable, productive, ethical, and successful citizens.

**Points of Pride:**

- Middle School Mathematics Science Technology Center ranked #1 middle school in the State of Michigan by US News and World Report
- WCS is home to the 2023 State School Social Worker of the Year by the Michigan Association of School Social Workers
- Warren Consolidated School of Performing Arts senior students were offered a record breaking 87 scholarships totaling more than \$3,000,000 from various colleges and universities
- 100 percent college acceptance for Macomb Mathematics Science Technology graduates
- WCS is home to a diverse population of students who speak more than 70 languages
- Graduating Class of 2023 received \$15.95 million in college scholarships
- WCS continues to remain fiscally responsible and has received a clean financial audit opinion from an outside auditing firm for over 25 years
