Important Notice on Menu Changes in 202122 School Year

Nation wide, food suppliers face labor shortages and transportation challenges that are adding costs and limiting supplies. Food distributors expect to run low on everything from canned fruit to lunch trays. Due to severe labor shortage in our department and food shortage across the nation, WCS Nutrition Services anticipate frequent menu changes in 2021-22 School Year. We may serve different entrees at different elementary schools depending on availability. We will notify schools and district nurses of all menu changes prior to the serving day so proper announcement can be made.
